MEMORANDUM FOR: Deputy Director of Security

1. The Director does not agree that Item II is an authorized disclosure since "this statement could be inferred from previously published information appearing in public sources" (your memorandum of 31 January 1962).

2. It is his view that any of the statements made by [redacted] bordering on unauthorized information lend credence to the subject matter due to [redacted] known position as an expert on [redacted]

3. In any event, the Director made it clear that the whole problem of the [redacted] is a matter of primary concern to [redacted] and we would stay out of it unless you have some reason to believe that [redacted] disclosures involve sources and methods.
